

Other Academic Projects

Seminars:

- | | |
|---|---|
| Ralph C. Heath
October 1, 1990 | <i>Continent-Scale Hydrogeologic Maps: The North American Case</i> |
| Ralph C. Heath
October 1, 1990 | <i>Hydrogeology and Hazardous Waste</i> |
| Cliff Hopson
November 1, 1990 | <i>Chelan Migmatite Complex, North Cascades, WA: A Record of Petrogenetic and Tectonic Processes in Cretaceous Lower and Middle Crust</i> |
| AGU Practice Talks
November 30, 1990 | <i>American Geophysical Union Practice Talks in preparation for the American Geophysical Union Conference (December 1990)</i> |
| SSA/GSA Practice
March 22, 1991 | <i>Practice talks in preparation for the Seismological Society of America/ Geophysical Society of America Meeting</i> |
| Mark Leipnik
April 18, 1991 | <i>Hydrogeologic Applications of GIS (Geographic Information Systems)</i> |
| David Springer
April 18, 1991 | <i>Determining Air Permeability Under Controlled Soil Water Conditions</i> |
| Stephen Wheatcraft
April 1991 | <i>Fractal Approaches to Modeling Geologic Variability in Aquifers</i> |
| Robert Crippen
May 9, 1991 | <i>Image Geodesy: Detecting Present-day Fault Offsets and Measuring Earthquake Strain Fields with Satellite Imagery</i> |
| Ejiofoar H. Chuka
June 19, 1991 | <i>Environmental Problems of Poland and Review of Methods for Removal of Lead and Cadmium Ions from Water Solutions</i> |

Workshops:

- | | |
|------------------------------------|--|
| June 19-21, 1991
UCen Pavillion | <i>Earthquake Dynamics: Connecting Models with Observations (joint with the Institute for Theoretical Physics)</i> |
|------------------------------------|--|
