

**Institute for Crustal Studies Participants  
1991-1992**

**Faculty and Professional Research Staff:**

Ralph J. Archuleta, Professor of Seismology (Associate Director)

Ann E. Blythe, Assistant Research Geologist

Cathy J. Busby Associate Professor of Geology

Stanley M. Cisowski, Assistant Research Geophysicist

John C. Crowell, Professor Emeritus (Geological Sciences)

Stephen J. Cullen, Specialist, Hydrology

Lorne G. Everett, Research Hydrologist

Phillip B. Gans, Assistant Professor of Geology

Edward A. Keller, Professor of Geology

James S. Langer, Professor of Physics

David P. Lanter, Assistant Professor of Geography

Hugo A. Loaiciga, Associate Professor of Hydrology

Bruce P. Luyendyk, Professor of Geophysics (Director)

Stephen P. Miller, Specialist, Marine Geophysics

Rebecca Morris, Postgraduate Researcher, UCLA

Craig C. Nicholson, Assistant Research Geophysicist

Brian Patrick, Assistant Professor of Geology

William A. Prothero, Professor of Geophysics

Stephen M. Richard, Assistant Research Geologist

Sandra H. Seale, Assistant Research Seismologist

Bruce Shaw, Visiting Postdoctoral Physicist

Frank J. Spera, Professor of Geology

Lee Steck, Visiting Assistant Research Seismologist

Arthur G. Sylvester, Professor of Geology

**Research Participants From Other Institutions:**

Michel Campillo, Seismologist, Université de Joseph Fourier, Grenoble, France

Robert Crippen, Geologist, Jet Propulsion Laboratory

Ruth A. Harris, Geophysicist, U.S. Geological Survey

Mark Legg, Geophysicist, A.C.T.A., Inc.

Peter H. Molnar, Senior Scientist, Massachusetts Institute of Technology

Alexander Proussevitch, Research Geochemist, U.S.S.R. Academy of Sciences

Peter W. Rodgers, Geophysicist, Consultant

Richard H. Sibson, Professor of Geology , University of Otago, Dunedin, New Zealand

William D. Stuart, Geophysicist, U.S. Geological Survey

William Jessup Taylor, Postgraduate Researcher, University of Southern California

Alexei G. Tumarkin, Research Seismologist, U.S.S.R Academy of Sciences

Alla Tumarkina, Senior Mathematician, Moscow Institute of Earth Planning

Igor S. Zektser, Research Hydrologist, U.S.S.R Academy of Sciences

**Graduate Student Researchers  
employed by the Institute for Crustal Studies:**

Norman Brown

James Elliot

Douglas Imperato

John Kramer

Mark Leipnik

Grant Lindley

Nicholas Pinter

Kathleen Rees

Timothy Robinson

Christine Smith

Christopher Sorlien

Jamison Steidl

Daniel Stein

Alain Trial

David Valentine

Charles Weiland

Robert West

**Undergraduate Assistants  
employed by the Institute for Crustal Studies:**

Constance Balzer

Kimberly Baugh

William Baugh

Gerald Bawden

Thomas Bruskotter

Christopher DeBuhr

John Feltman  
Leslie Hasbargen  
Douglas Korengold  
Brendan Laurs  
Laura Mitchell  
Michael Pavelko  
Michael Pearce  
Harley Pennington  
Tera Ruotsala  
Sanford Spinrad  
Brian Steele  
Deborah Underwood  
Katrine Way  
Brett Wilson  
Victoria Wylie

**Professional, Technical, Administrative and Clerical personnel  
employed by the Institute for Crustal Studies:**

John O. Byrd, Laboratory Assistant  
Christie Campbell, Laboratory Assistant, Vadose Zone Monitoring Laboratory  
Joan Dandona, Senior Wordprocessing Specialist  
Maureen Evans, Administrative Assistant  
Anne Glenister, Principal Clerk  
Christine Locke, Wordprocessing Specialist  
Brad Laurabee, Clerk  
Angela Macias, Senior Illustrator  
Aaron Martin, Staff Research Associate, Computer System Administrator  
Chiu-Wen Ray, Laboratory Assistant, Vadose Zone Monitoring Laboratory  
Robert Romzick, Laboratory Assistant, Vadose Zone Monitoring Laboratory  
Shurong Shu, Laboratory Assistant, Vadose Zone Monitoring Laboratory  
Scott Swain, Assistant Development Engineer
