

**Institute for Crustal Studies Participants
1992-1993**

Faculty and Professional Research Staff:

Ralph J. Archuleta, Professor of Seismology (Associate Director)
Ann E. Blythe, Assistant Research Geologist
Cathy J. Busby Associate Professor of Geology
Stanley M. Cisowski, Associate Research Geophysicist
John C. Crowell, Professor Emeritus (Geological Sciences)
Stephen J. Cullen, Specialist, Hydrology
Lorne G. Everett, Research Hydrologist
Phillip B. Gans, Assistant Professor of Geology
Attilio Giacobbe, Postgraduate Researcher
Hugh A. Hurlow, Assistant Research Geologist
Marc J. Kamerling, Postgraduate Researcher
Edward A. Keller, Professor of Geology
Grant T. Lindley, Assistant Research Geophysicist
Hugo A. Loaiciga, Associate Professor of Hydrology
Bruce P. Luyendyk, Professor of Geophysics (Director)
William C. McClelland, Assistant Research Geologist
Stephen P. Miller, Specialist, Marine Geophysics
Rebecca Morris, Postgraduate Researcher, UCLA
Craig C. Nicholson, Associate Research Geophysicist
Brian Patrick, Assistant Professor of Geology
William A. Prothero, Professor of Geophysics
Peter W. Rodgers, Research Geophysicist
Sandra H. Seale, Assistant Research Seismologist
Bruce Shaw, Visiting Postdoctoral Physicist
Frank J. Spera, Professor of Geology
Arthur G. Sylvester, Professor of Geology
William Jessup Taylor, Postgraduate Researcher
Toshiro Tanimoto, Associate Professor of Seismology
Alexei G. Tumarkin, Assistant Research Seismologist
Junho Um, Assistant Research Geophysicist
Robin J. Weeks, Assistant Research Geologist

Research Participants From Other Institutions:

Frances Cancarini-Ghisetti, Geologist Catania University, Italy
Michel Campillo, Seismologist, Université de Joseph Fourier, Grenoble, France
Robert Crippen, Geologist, Jet Propulsion Laboratory
Jean Pierre Gratier, Physicist, University of Grenoble, France
Ruth A. Harris, Geophysicist, U.S. Geological Survey
Jonathan M. Lees, Seismologist, Yale University
Mark Legg, Geophysicist, A.C.T.A., Inc.
Elizabeth L. Miller, Geologist, Stanford University
Peter H. Molnar, Senior Scientist, Massachusetts Institute of Technology
Jarg Rein Pettinga, Geologist, University of Canterbury, New Zealand
Federica Raia, Graduate Student, Univeristy of Naples, Italy
Elizabeth R. Schermer, Geologist, Western Washington University
Lee Steck, Seismologist, U.S. Geological Survey
William D. Stuart, Geophysicist, U.S. Geological Survey
Frederick van der Wateren, Geologist, Geological Survey of the Netherlands

**Graduate Student Researchers
employed by the Institute for Crustal Studies:**

Joanne Athanassoupolos
Nien-Ping Chou
Geoffey Deane
Douglas Imperato
John Kramer
Mark Leipnik
George Merchant
Nicholas Pinter
Kathleen Rees
Timothy Robinson
Christine Smith
Christopher Sorlien
Jamison Steidl
Daniel Stein
Alain Trial

David Valentine
Charles Weiland
Robert West

**Undergraduate Assistants
employed by the Institute for Crustal Studies:**

Constance Balzer
Michelle Barber
Gerald Bawden
Thomas Bruskotter
Andrew Coit
Karen Cox
Christopher DeBuhr
Susan Dougherty
Stephen Everett
John Feltman
Stephen Glenn
Leslie Hasbargen
Hyonny Kim
Douglas Korengold
Loren Luyendyk
Matthew Makarczyk
Laura Mitchell
Michael Pearce
Jose Sanchez
Erik Sommargren
Brian Steele
Deborah Underwood
Victoria Wylie

**Professional, Technical, Administrative and Clerical personnel
employed by the Institute for Crustal Studies:**

William W. Bewley, Laboratory Helper
Christie Campbell, Laboratory Assistant, Vadose Zone Monitoring Laboratory
Keith Dinger, Laboratory Assistant
Maureen Evans, Management Services Officer

Anne Glenister, Principal Clerk
Eke Kalicke, Laboratory Assistant
Brad Laurabee, Laboratory Helper
Aaron Martin, Staff Research Associate, Computer System Administrator
Bradley Newton, Laboratory Assistant
Chiu-Wen Ray, Laboratory Assistant, Vadose Zone Monitoring Laboratory
Robert Romzick, Laboratory Assistant, Vadose Zone Monitoring Laboratory
Shurong Shu, Laboratory Assistant, Vadose Zone Monitoring Laboratory
Scott Swain, Assistant Development Engineer
Alla Tumarkina, Programmer Analyst
Donna Welch, Administrative Assistant
Joanne Yoshimura, Programmer Analyst
